Adapools.org cookie policy

Cookie Policy

Cookies consist of portions of code installed in the browser that assist the Owner in providing the Service according to the purposes described. Some of the purposes for which Cookies are installed may also require the User's consent.

Where the installation of Cookies is based on consent, such consent can be freely withdrawn at any time following the instructions provided in this document.

Technical Cookies and Cookies serving aggregated statistical purposes

Activity strictly necessary for the functioning of the Service

This Application uses Cookies to save the User's session and to carry out other activities that are strictly necessary for the operation of this Application, for example in relation to the distribution of traffic.

Activity regarding the saving of preferences, optimization, and statistics

This Application uses Cookies to save browsing preferences and to optimize the User's browsing experience. Among these Cookies are, for example, those used for the setting of language and currency preferences or for the management of first party statistics employed directly by the Owner of the site.

Other types of Cookies or third parties that install Cookies

Some of the services listed below collect statistics in an anonymized and aggregated form and may not require the consent of the User or may be managed directly by the Owner - depending on how they are described - without the help of third parties.

If any third party operated services are listed among the tools below, these may be used to track Users' browsing habits – in addition to the information specified herein and without the Owner's knowledge. Please refer to the privacy policy of the listed services for detailed information.

Types of Data collected

Among the types of Personal Data that this Application collects, by itself or through third parties, there are: Cookies, Usage Data, and various types of Data. Complete details on each type of

Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection. Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Application. Unless specified otherwise, all Data requested by this Application is mandatory and failure to provide this Data may make it impossible for this Application to provide its services. In cases where this Application specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service. Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner. Any use of Cookies – or of other tracking tools – by this Application or by the owners of third-party services used by this Application serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy, if available. Users are responsible for any third-party Personal Data obtained, published or shared through this Application and confirm that they have the third party's consent to provide the Data to the Owner.

Mode and place of processing the Data

The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Application (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes. Note: Under some legislations the Owner may be allowed to process Personal Data until the User objects to such processing (“opt-out”), without having to rely on consent or any other of the

following legal bases. This, however, does not apply, whenever the processing of Personal Data is subject to European data protection law;

- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Users are also entitled to learn about the legal basis of Data transfers to a country outside the European Union or to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

If any such transfer takes place, Users can find out more by checking the relevant sections of this document or inquire with the Owner using the information provided in the contact section.

Retention time

Personal Data shall be processed and stored for as long as required by the purpose they have been collected for. Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the

Owner may be obliged to retain Personal Data for a longer period whenever required to do so for the performance of a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right to access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Services, as well as for the following purposes: Contacting the User, Registration and authentication, Access to third party services' accounts, Analytics, Interaction with support and feedback platforms, Managing support and contact requests, Displaying content from external platforms, Managing contacts and sending messages, Hosting and backend infrastructure, Remarketing and behavioral targeting, Handling payments, Interaction with external social networks and platforms, Interaction with live chat platforms, Infrastructure monitoring, User database management, Commercial affiliation, Tag Management and Data transfer outside the EU.

Users can find further detailed information about such purposes of processing and about the specific Personal Data used for each purpose in the respective sections of this document.

Google Analytics with anonymized IP (Google Inc.)

Google Analytics is a web analysis service provided by Google Inc. (“Google”). Google utilizes the Data collected to track and examine the use of this Application, to prepare reports on its activities and share them with other Google services. Google may use the Data collected to contextualize and personalize the ads of its own advertising network. This integration of Google Analytics anonymizes your IP address. It works by shortening Users' IP addresses within member states of the European Union or in other contracting states to the Agreement on the European Economic Area. Only in exceptional cases will the complete IP address be sent to a Google server and shortened within the US. Personal Data collected: Cookies and Usage Data. Place of processing: United States.

Further information about Personal Data

We don't sell or rent Users' Data to any third parties for any purpose. The only uses of Data are those highlighted in this policy. Users are the only owner of their Data and can request modification or deletion by emailing info on Adapools.org at any time. Mail contact is hello@cardanians.io

GDPR

Adapools.org processes personal data of Users carefully and with due observance of the provisions of the EU General Data Protection Regulation (GDPR) (EU Regulation 2016/679), as well as any national legislation adopted in accordance therewith.

All Personal Data is securely stored on our servers in accordance with industry standards and the GDPR. For more details on the security measures implemented, please refer to the section “Security” below.

We may also transmit some of your data to our technical and logistic service providers acting on our behalf, and we ensure that they provide for the necessary guarantees with respect to the GDPR.

All Personal Data used by these third parties is solely used for the purposes of the services provided at our request. Any use for other purposes is strictly prohibited. In addition, any Personal Data processed by third parties will be in accordance with the terms of this Privacy Policy and in compliance with the GDPR. The third party providers we use will only collect, use and disclose your information to the extent necessary to enable them to perform the services they provide to us.

If we transfer Personal Data outside the EEA this way, we will take the necessary steps to ensure that your Personal Data continues to be protected in compliance with the GDPR, notably by only transferring your Personal Data to businesses established in countries recognized by the European Commission as providing an adequate level of protection for your Personal Data or on servers of American companies that are members of the Privacy Shield or organizations that have concluded standard contractual clauses or that commit themselves to applying a code of conduct or a certification mechanism validated by the competent European authorities.

For more information on the safeguards put in place, please contact us - hello@cardanians.io

OUR COMMITMENT TO YOUR PRIVACY

We can assure you that we comply with the GDPR and that we process your Data lawfully, fairly and transparently.

We take confidentiality and privacy issues very seriously. We therefore ensure that your personal information is secure; we communicate our privacy and security guidelines and practices to all our employees and service providers and strictly enforce privacy safeguards within our company.

CONTACT INFORMATION

If you wish to access, correct, modify or delete the personal information we have about you, object to their processing, exercise your right to portability, file a complaint or simply obtain more information about the use of your Personal Data, please contact us by e-mail (hello@cardanians.io).

All such requests will be promptly examined and a reply will be sent to you by our teams.
